CALL FOR SPECIAL SESSIONS

The ICICV-2020 Organizing Committee invites proposals for Special Sessions to be held during International Conference on Innovations in Computational Intelligence and Computer Vision from Jan 17-19, 2020. The aim of Special Sessions is to highlight new and emerging research topics or innovative applications in terms of original contributions as high quality research papers related with the conference theme.

CONFERENCE THEME

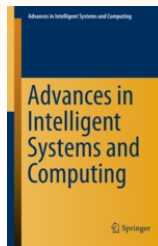

The conference will be focused on addressing research challenges in the field of “Computational Intelligence” and “Computer Vision”, but not limited to the following:

- Track 1: Artificial Intelligence and Computer Vision**
- Track 2: Image Processing and Video Analysis**
- Track 3: Advanced Computing**
- Track 4: Interdisciplinary Areas**
- Track 5: Innovative Practices**

PUBLICATION

All accepted and presented papers will be submitted for publication in **Springer Book Series: “Advances in Intelligent Systems and Computing”** (ISSN: 2194-5357). The books of this series is indexed in:

**SCOPUS, DBLP, Google Scholar,
Springerlink, ISI Proceedings and
EI-Compendex**

GENERAL GUIDELINES TO CONDUCT A SPECIAL SESSION

- All Special Sessions will be held at Manipal University Jaipur (Raj.), India during Conference dates (i.e., Jan 17-19, 2020).
- To conduct a special session, the organizer of the Session needs to apply online on the conference website (<https://iciv2020.com/>).
- Proposals will be duly evaluated by the Technical Committee based on the novelty and associated impact of the topic, and same will be intimated via email to the Session Organizer with further guidelines
- Organizers of Special Sessions are required to announce/ publicize Call For Papers for Special Sessions at their own, however details of all accepted Sessions will be available on the Conference website.
- Review process (First phase) of the papers submitted in the Special Sessions will be done by the respective Organizers of the sessions. In the review process, each paper should receive at least two reviews from qualified reviewers (All reviewers are required to have expertise in the area of the submitted paper).
- The third qualified review (Second Phase) will be done by Technical Committee/ Reviewer Pool of ICICV-2020 and will make the final decision on acceptance/rejection.
- Acceptance rate and Plagiarism percentage must be restricted to 30% and 10% respectively.
- For successful execution of special session minimum 10 accepted papers are required, and Organizer of the special session will be invited to chair the session.
- The Organizing committee may combine Special Sessions, if the number of papers are less than 10 in a single session.
- The application for sending proposals should contain the following information:
 - Title
 - Aim & Scope/ Objectives
 - Sub-topics of interest
 - Contact information of the Organizer
 - Organizers' short biography
 - List of potential reviewers/TPC capable of reviewing papers submitted to the special session.
- Important dates:
 - Special Session proposal submission deadline: Aug 31, 2019
 - Notification of acceptance: Within one week of proposal submission
 - Full length paper submission and registration: As per Conference Timeline
