**“Innovations in Computational
Intelligence and Computer Vision”**

17th-19th Jan, 2020

About Manipal University Jaipur

The Manipal Education Group is an established leader in the field of education, research and healthcare. In a span of over six decades, it has transformed the lives of more than 3,00,000 students from over 59 countries. The group has worldwide presence including following organizations:

1. American University of Antigua, Antigua
2. Manipal Academy of Higher Education, Dubai
3. GlobalNxt University, Malaysia
4. Manipal College of Medical Sciences, Nepal
5. Manipal International University, Malaysia
6. Manipal University Jaipur, India
7. Melaka Manipal Medical College, Malaysia
8. Sikkim Manipal Academy of Higher Education, Sikkim, India
9. Manipal ProLearn, Karnataka, India
10. Sikkim Manipal Academy of Higher Education-Distance Education (SMU-DE), Sikkim, India
11. MeritTrac, Bangalore, India

The group has produced global leaders for instance Mr. Satya Nadella (CEO, Microsoft) and Mr. Rajeev Suri (Ex CEO Nokia) to name a few. The Government of India has bestowed "Institute of Eminence" status to Manipal Academy of Higher Education, which also holds the highest rank among private Indian universities in the QS Ranking.

Manipal University Jaipur (MUJ) was launched in 2011 on an invitation from the Government of Rajasthan, as a self-financed State University. MUJ has redefined academic excellence in the region, with the Manipal way of learning; one that inspires students of all disciplines to learn and innovate through hands on practical experience. For more information, visit our website <https://jaipur.manipal.edu/>

Jaipur, being one of the fastest growing cities in India, has increasing demand for quality higher education in the region. Following an allotment of 122 Acres of land at Dehmi Kalan village near Jaipur, the permanent campus of the University has come up at a fast pace and is by far one of the best campuses in the region. The multi-disciplinary university offers career-oriented courses at all levels, i.e., UG, PG and doctoral and across diverse streams, including Engineering, Architecture, Planning, Fashion Design, Fine Arts, Hospitality, Humanities, Journalism and Mass Communication, Basic Sciences, Law, Commerce, Computer Applications, Management, etc. Some PG programmes are also available in the research mode. MUJ boasts of best-in-class infrastructure, including state-of-the-art research facilities and a modern, digital library. In line with Manipal University's legacy of providing quality education to its students, the campus uses the latest in technology to impart education.

About ICICV 2020

International Conference on “Innovations in Computational Intelligence and Computer Vision (ICICV-2020)” is being organized by Manipal University Jaipur (Raj., India) during Jan 17-19, 2020. The conference is meticulously planned to muster innovative ideas from researchers, scientists, academicians, industry professionals and students. The aim of this conference is to provide a great platform for sharing and discussing novel ideas/ research findings in the areas of “Computational Intelligence” and “Computer Vision”.

The conference is devoted to increase the understanding role of interdisciplinary issues, how engineering has day by day evolved to prepare human friendly technology. This interaction will be the focal point for leading experts to share their insights, provide guidance and address participant’s questions and concerns.

Vision

Promote | Create | Provide

ICICV-2020 aims to promote translation of interdisciplinary research into innovative practices for solving real life problems through the use of Computational Intelligence and Computer Vision.

ICICV-2020 provides opportunities to ignite the mind of researchers by exchanging valuable thoughts/ new ideas with external researchers and delegates in order to benefit the Society.

Sponsorship Category

Why become a ICICV partner?
